

### Recommended options for obtaining Pesticide Credits from Penn State in 2021

#### Option 1: Pesticide Applicator Recertification Workbooks (Correspondence Courses)

Each workbook will provide some of the credits an applicator needs each year. Private applicators require 6 core and 6 category every 3 years to maintain their license so choosing 2 workbooks with core and category each will suffice for most. To order, call 1-877-345-0691 and provide the title of the workbooks you would like to order. They cost \$10 plus tax. Shipping and handling will be FREE through March 31, 2021. The courses will also be listed on our website at: [extension.psu.edu/pestcredits](http://extension.psu.edu/pestcredits). Along the left-hand side under Education Format, click on Guides and Publications to find the available correspondence courses.

Several category and core workbooks are available now and include the following:

Each of the following provide 2 credits of Private Category, and Categories 01 and 18:

- Forage Diseases Workbook
- Soybean Diseases Workbook (available in February)

Each of the following provide 2 credits of Private Category, and Categories 03 and 18

- Pumpkin Diseases Workbook
- Tomato Diseases Workbook

\*Fumigation Available by February 2021

Each of the following provide 2 credits of Core

- Adjuvants and Pesticides Workbook
- Pesticide Recordkeeping Workbook
- Pesticide Spill Protocol Workbook

#### Option 2: Agronomic Pesticide Update – Webinar

Earn pesticide recertification credits from the comfort of your home or office! The Agronomic Pesticide Update webinar offers Pennsylvania commercial, public, and private applicators the opportunity to earn Core (2 credits) and Category (2 credits) towards pesticide recertification. Each webinar below is \$10, and one should suffice for most private applicators that are caught up on credits.

Agronomic Pesticide Update with 2 Core and 2 Cat. PC, 01, 18 - \$10

- February 11, 2021 at 10:00am – Topic: Forage Pests
- February 25, 2021 at 10:00am – Topic: Soybeans, Slugs & Cover Crops
- March 11, 2021 at 7:00pm – Topic: Corn & other Grains

Recordings available through April so registrants can watch anytime. For a complete agenda or to register visit [extension.psu.edu/agronomic-pesticide-update-webinar](http://extension.psu.edu/agronomic-pesticide-update-webinar) or call 1-877-345-0691

#### Other Options:

If you need just one credit to round out your applicator license renewal, check out our other online courses (now on sale at 50% off). They are around \$7.50 per credit (at the sale price) and have a wide selection of offerings found at [extension.psu.edu/pestcredits](http://extension.psu.edu/pestcredits). There is also a “Pollinators and Pesticides” Workbook worth a single core credit available online or by calling 1-877-345-0691. Additional webinars may be available.
